

**K.J.Somaiya Medical College & Research Centre
Sion, Mumbai.**

The NCHPE 2023 was hosted by K J Somaiya Medical College & Research Centre from 23rd to 25th November 2023.

The theme of the conference was **“Health Professional 2.0: Values and Skills in the Digital Era.**

The conference was conducted under the aegis of AHPE and the knowledge partner were FAIMER & Maharashtra University of Health Sciences (Nashik).

15 pre-conference workshops were conducted on 23th November 2023 at the K J Somaiya Medical College.

There was an over whelming response to the pre- conference workshop with an attendance of more than 250 participants. The workshop was helmed by seasoned National, International and inhouse senior faculty.

The conference was held at K J Somaiya Vidyavihar campus. This was attended by more than 300 delegates. Several futuristic talks including Surgical Sabermetrics, Gamification and Artificial Intelligence in Medical Education which were in tune with the theme held the audience in rapt attention. These talks were delivered by National & International faculty. One of the highlights of the conference was the 1st AHPE oration which was delivered by none other than the doyen in Medical Education Dr. Avinash Supe. The standing ovation was the epitome of the conference.

The 1st ever MedEd talks was well appreciated. The delegates were invited to participate in a competition for preparing case-based scenarios and we received an overwhelming response.-

Several innovative sessions such as ‘Art in Medical Education, Medical Professionalism were well appreciated. The debate by student’s on Digitalization in Medicine was also a star event. MMC credit point were given for both pre- conference workshop and main conference.

95 e-poster oral sessions which covered different areas of Medical Education were conducted over 2 days in 5 halls, these posters were continuously displayed on a screen at the lunch venue.
